The **Twins** and Delaware North are boosting their efforts to bring affordable concessions to **Target Field** with today's announcement detailing the expansion of their "family value" concession stands program. The expansion includes the addition of a third family value concession stand to the ballpark for the upcoming season and the relocation of another to a more accessible spot. Each of the three stands, which will see slightly lowered prices on all food and beverage offerings this season, feature self-serve, touchscreen kiosks to expedite the ordering and purchasing process.

The new, lower family value prices for the 2023 season at Target Field are:

- Hot Dog - \$3.99
- Popcorn - \$2.99
- Nachos - \$3.99
- 16oz Pepsi, Diet Pepsi, Mountain Dew or Sierra Mist - \$1.99
- Soft Pretzel - \$3.99
- 16oz Aquafina bottled water - \$3.99
- Peanuts - \$2.99
- 12oz Budweiser or Bud Light - \$4.99

Additionally, standard concession stands throughout Target Field will feature, for the first time, unlimited fountain soda refills with the purchase of a 32-ounce souvenir cup.
